Carter convinced her to move south and start her college education. They found her a place to live and with the hockey playoffs in full swing, life was great or so she thought. When the rumors started to spread that Hunter would be traded to the west coast, the strain on their relationship began. She had given him every part of herself and she wasn t strong enough to watch everything that she wanted unravel. Between the rumors, Carter s wedding and meeting her new sexy neighbor, Mike, she wasn t sure if she had made the right decision. Could she fight for their relationship or was the damage done?
