Thomas Nelson. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.3in. x 5.3in. x 0.8in. With over thirty years of clinical psychiatric experience with children and their parents, Dr. Campbell knows how profoundly a parent can influence a child. By anticipating the needs of a child rather than reacting to his or her behaviors, parents develop a relational rather than adversarial family structure. Mothers and fathers will find tools aimed to help them build a healthy relationship with their child that meets all four basic emotional needs: to be nurtured in unconditional love, to be lovingly disciplined, to be trained in anger management, and to be protected from harmful influences. It is after these basic needs are met that a child will be able to understand and respond to spiritual matters. Combining practical advice with anecdotal examples, Campbell offers a purposeful, life-long approach to building happy, healthy, spiritual children. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
