

Active Listening 3 Student s Book with Self-study Audio CD: Level 3 (Mixed media product)

By Steve Brown, Dorolyn Smith

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2006. Mixed media product. Book Condition: New. 2nd Revised edition. 272 x 216 mm. Language: English . Brand New Book. Active Listening, Second Edition, is grounded in the theory that learners are more successful listeners when they activate their prior knowledge of a topic. Student s Book 3 is intended for intermediate to high-intermediate students. The Student s Book offers 16 task-based units, each built around an engaging topic. Through a careful balance of activities, students learn to listen for main ideas, to listen for details, and to listen and make inferences. Prelistening schema-building activities help students build vocabulary, and listen-again activities provide additional skills practice. A full page of optional speaking activities with pronunciation practice is provided in each unit. Expansion units, with authentic student interviews, offer rich cultural material and provide review. A free Self-Study Audio CD is also included in every Student s Book.

Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.
